

Mtrx Modular pre-configured network cabinet

The **6500 MXKNT pre-configured network / server kits** are complete factory assembled units regrouping all necessary components for specific network or server applications. Each presented kit consist of the following standard mtrx modular components:

- Mtrx modular frame system

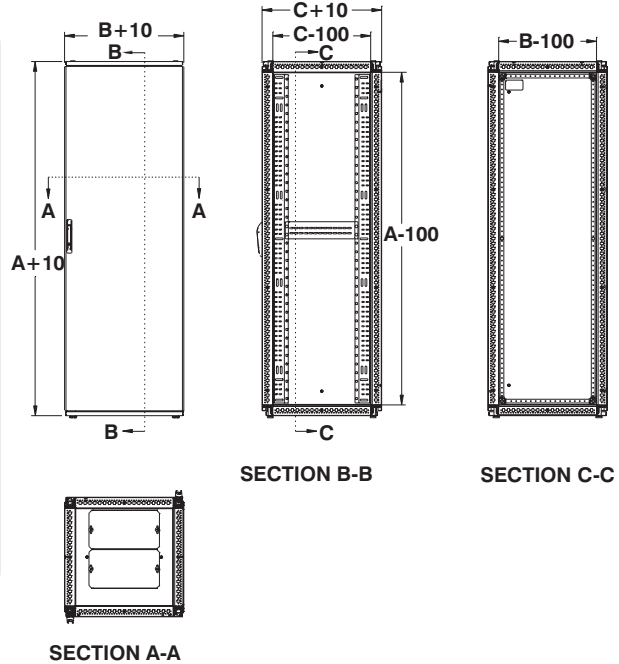

(with eye bolts and leveling feet)

- Top and bottom covers furnished with sealed access gland plates
- Standard side covers
- Front and rear doors (supplied with std front and rear solid doors)

- Two adjustable 19" rack angle sets

Frame, top and bottom are powder coated dark gray RAL7011. All other external covers are light gray RAL7035 or textured black RAL9005.

NEMA/EEMAC 12-13 / IP55
ANSI / CEA-310
