

Swing-out 19" rack frames

The **6500 MXSR swing-out 19" rack frames** are installed inside Mtrx cabinets. They are made of steel and include all the required installation hardware.

These frames are hinged to facilitate the access to installed 19 inch rack equipment. The racks can be installed at any height within the cabinet. The racks are finished with heat

fused polyester powder, electrostatically applied on a pretreated base. The finish is RAL 7011 sandtex dark gray. **ANSI / CEA-310**

**MX/SL
COMPATIBLE**
